Treasurer's report:

Mary discussed Schwab account. It was discussed that there was an overpayment for Kanuga and checks were issued for some reimbursement. A check may also be coming for the Triennial, but will wait to see the outcome.  
Also a reminder that the deadline for Triennial scholarships need to be in by April 1st.  
Report was accepted by all.

Chair reports:

Weekly Devotion-

Carol Waters will be stepping down and Pam Foster will be stepping in. A suggestion was made to send encouraging emails to each other for support.  
It was noted that Mary Philips, a Daughter at Church of the Epiphany had passed away and her service was the 9th of March. Prayers were offered for her.

Funds:

Pam Foster gave a handout showing funds and goals. She also mentioned that she would like to have someone join to be a new funds person. She brought up the scholarship for continuing education and certain scholarships do not require that person to be a daughter.  
The report was reviewed and accepted.

Membership: No report.

Historian:

Nancie Shcweikert discussed crosslinks being available online and that you can go back to at least 2017 and perhaps further. She gave a hand-out of the song "For His Sake" rewritten by Elaine Conger member of Trinity Gatlinburg and music director of Trinity Episcopal in Gatlinburg. You can also find this song on you tube.

Communications:

Gayle Happell stated she is having trouble with the constant contact link and will continue to work to solve the issues.

Daughters at Large (DAL):

Rebecca Markert reports there are 26 DALs now after the passing of Mary Philips. She stated that she is not always getting the information about each daughter, so she is trying to stay in contact by having a get together in May on the west side of Nashville. Her hope is that they can connect and bind. She has asked for continued prayer and participation. Katie handed out note cards and asked us to fill them out, sending a note of support to the DALs. The cards were given to Rebecca to mail out.

Vice President report:

Katie Rea gave her report on the different projects and churches she has visited including St Paul's where a new group of Junior Daughters has been admitted.

We were reminded to check with the secretary to Bishop Bauerschmidt for scheduling of upcoming events to be sure there are no conflicts.

The Triennial service project was brought up and will be clarified before the event. We were asked to bring that service project to our chapter meetings.

St Paul's chapter is offering a DOK retreat at Otey Hall on March 23 from 9am-3pm. A handout was offered to all.
